Dear Mr. Cyron,

On May 6, 2007 I had the joy of receiving one of the awards for the Distinguished Teachers of the Diocese of Arlington. It was an honor to be named for this award and to have received so many affirmations for the work I am doing. I have always felt it a privilege to be able to work with so many young students and to help lead them toward Christ.

I am very grateful for the check of \$1,000. It is extremely generous of you and all of the members of the Catholic Business Network and B B & T Bank who already do so much to aid us in our mission within the Catholic school system here in the Diocese of Arlington. One of my goals this school year has been to strengthen the Science program in our Middle School. Since I now have your very generous gift, I intend to purchase supplies that will be useful for our Science classes at Holy Cross Academy. Thank you for helping me to realize this goal.

I appreciate all of the hard work each of the members of the Catholic Business Network do to support our endeavors in Catholic Education. I appreciate all the generosity you have shown to me and to so many Catholic educators. Be assured of my prayers for all of you and for the work you do. May our Risen Lord bless each of you.

With gratitude,

Sr. Frances Carol Eder, OSFS
