Guest speaker, Attorney General Robert F. McDonnell
Commonwealth of Virginia

Bob McDonnell—a member at St. John the Apostle Catholic Church, Virginia Beach—was inaugurated the 44th Attorney General of Virginia on January 14, 2006. Come hear what promises to be an insightful talk in an informal setting as the Attorney General shares his focus on issues keeping Virginia safe and strong, including tougher sentencing for sexual predators, protecting against terrorist threats, and combating Internet crimes and identity theft.
